

# **Fraud Transcation Detection**

Wireframe Documentation

# Home Page

# Input – Time

# Input – Amount

The screenshot shows a web browser window with the address bar displaying `https://fraudtranscationdetection.herokuapp.com`. The browser has several tabs open, including 'Submit Project - iNe...', 'Fraud Transaction Del...', 'Wireframe\_Document...', 'New Tab', 'fraudtranscationdetection...', and 'Fraud Transaction Del...'. The browser's toolbar shows various icons for navigation and search, and a 'Paused' status. The main content area of the browser is a solid blue color. In the center of this blue area, the word 'AMOUNT' is displayed in white, uppercase letters. Below it, there is a text input field with a light blue border and a white background. Inside the input field, the text 'Enter Amount' is written in a light blue, sans-serif font. A red horizontal line is positioned directly below the input field. To the right of the input field, there is a small, circular orange button with a white outline. Below the input field and the button, the text 'PRESS TAB' is displayed in white, uppercase letters.
